### PROFILE

Professional experience in a vast variety of creative work fields. Over 11 years of successful business owning, management, and operating experience. Involved in employee management, customer and client relations, as well as creative expression and leadership. From creative directing, marketing, graphic design, art direction, and product development from the base level to finished product. Entrepreneurial spirit, a self motivator and outgoing, easy to work with attitude.

### EXPERIENCE

**OWNER, SQUID PRINTS KC**.....01/2012-05/2018

Squid Prints is a full service screenprinting and design shop, my core activities include:

- Carrying several duties, tasks, and responsibilities to ensure growth and success of the business.
- Developing and executing market strategies, overseeing daily operations in creative, production, and sales.
- Lead graphic designer for customers as well as company, working to turn customer ideas and sketches into a finished product.
- Maintain and manage our web presence, product photography, branding, team leading, project planning and oversight, as well as employee and client management.

**OWNER, SQUID SWIM SUPPLY**.....04/2015-05/2018

Squid Swim Supply is a competitive swimwear and supply retail company, my core activities include:

- Carrying several duties, tasks, and responsibilities to ensure growth and success of the business.
- Hiring, managing, and encouraging staff to fill necessary roles for growth.
- Reviewing sales, ordering and keeping track of goods and inventory.
- Regularly working and meeting with brands, sponsors, and suppliers of goods and products.

**GENERAL MANAGER AND CREATOR, MISSOURI WOODWORKS**.....10/2018-PRESENT

Missouri Woodworks is a custom woodworking shop, with an emphasis on online sales. My core activities include:

- Lead designer. In charge of designing and creating a large variety of products for sales.
- Writing informative and engaging product descriptions and information
- Photographing, editing, and optimizing product images for social media as well as web sales.
- Creating and upkeeping website for e-commerce as well as brand recognition and identity.
- Ensuring that all products are made at an above satisfactory level and projects finished in a timely manner.
